Comments Anita: *"Being a Top Rated adviser means a great deal – there are over 20,000 IFAs in the UK so to be in the top 0.5% is a real achievement. What makes it even more special is that I've been selected as a result of support from my clients. It means a lot that they've gone out of their way to help me to get this commendation and I'd like to thank them all."*

Anita, author of A Widow's Guide and Director of cre8 wealth management based

in Kidderminster, was selected as a result of clients writing in to recommend her services on consumer ratings website VouchedFor.co.uk.

Continues Anita: *"The financial services sector is still tarnished and unfortunately this means we have all been tarred with the same brush. In my opinion client testimonials are an important pointer when it comes to restoring trust which makes receiving this commendation even more significant. People who need help with their finances can go to VouchedFor.co.uk to read client reviews before selecting an adviser, it's a great way to ensure peace of mind and rebuild confidence in the sector."*
